

IAWEA BIOSOLIDS AWARD NOMINATION FORM

The IAWEA Biosolids Committee is accepting nominations for the Biosolids awards. This award recognizes those treatment plants that have made significant strides in their Biosolids program by the development and implementation of cost-effective, environmentally safe and publicly acceptable Biosolids practices.

If you work for, have done consulting work for or know of any treatment plants that you feel are deserving of this award, please complete the nomination form and mail, fax or email it to:
