

IAWEA 2021 Small Community Virtual CEU Series

The Iowa Water Environment Association (IAWEA) is please to offer a virtual CEU series. This virtual CEU series is designed to offer meaningful technical content related to small communities across the State of Iowa. Each module will offer 0.2 CEUs or 2 PDHs to attendees. If you are interested in attending one or more of this series, please register at the following link: www.iawea.org. If you have questions about the virtual CEU series, please contact Matt Wildman at mwildman@hrgreen.com.
