

Iowa Water Environment Association 2023 Pre-Conference Tour:

City of Waterloo Wastewater Treatment Plant
3505 Easton Avenue

June 6, 2023

12:00-3:30 p.m.

Cost: \$30 IOWEA member / \$50 non-member

The Iowa Water Environment Association is offering a unique water quality educational opportunity at the City of Waterloo Wastewater Treatment Plant located in southeast Waterloo as part of the 2023 IOWEA annual conference.

Gather at the City of Waterloo Wastewater Treatment Plant at 12:00 for lunch with a presentation about the plant. The presentation will include information about Waterloo's domestic and industrial treatment facilities and recent upgrades including biosolids handling and more. The presentation will be followed by a tour of the facility with plant staff. Return to the Waterloo Convention Center is planned by 3:30 pm.
