

## **Iowa Water Environment Association 2024 Pre-Conference Tour:**

City of Iowa Wastewater Treatment Plant  
4366 Napoleon Street SE

June 4, 2023

12:30-3:30 p.m.

Cost: \$30 IAWEA member / \$50 non-member

The Iowa Water Environment Association is offering a unique water quality educational opportunity at the City of Iowa City Wastewater Treatment Plant located in southeast Iowa City as part of the 2024 IAWEA annual conference.

Gather at the City of Iowa City Wastewater Treatment Plant after lunch on your own. The walking tour starts at 12:30 and will include information about Iowa City's domestic treatment facilities and recent upgrades including the head works screens and raking's handling and more as well as future projects. Return to the Iowa Graduate Hotel is planned by 3:30 pm.

## 2024 IAWEA Annual Conference, June 4, 5 & 6, Iowa City, Iowa

A facility tour of the South Iowa City Wastewater Treatment Facility will be given on June 4, 2024 from 12:00 to 3:30 pm. Please wear long pants and non-open toed shoes. PPE provided if needed.

The Iowa City South Wastewater Treatment Plant is located at 4366 Napoleon Street SE, Iowa City 52240
