IAWEA 2026 Annual Conference
Poster Session
June 17, 2026
Iowa Events Center | Des Moines, IA

Poster Session Call for Participants Deadline: May 1, 2026

The Iowa Water Environment Association (IAWEA) is excited to announce a unique opportunity for students, young professionals, and industry partners to participate in the 2026 IAWEA Annual Conference and showcase their work through an educational poster session. This session provides participants with valuable presentation experience, the chance to learn more about Iowa's clean water industry, and opportunities to connect with other water professionals.

The poster session will take place during the **Exhibitor Reception** at the IAWEA Annual Conference.

Date: Wednesday, June 17, 2026
Time: 3:45 – 5:15 PM
Location: Iowa Events Center, Des Moines, IA

Participants will display their posters during the reception and are encouraged to provide a brief overview of their work to conference attendees. Presenters should be available throughout the session to answer questions and discuss their projects.

Interested individuals should contact Libby Alsteen (Libby.Alsteen@ISGInc.com) to be included in the poster session lineup. Registration to participate in the poster session is due May 1, 2026.

Poster topics may include, but are not limited to:

- Research
- Emerging Topics
- Collection Systems
- Utility Management/Administration
- Operations
- Laboratory Practices
- Maintenance
- Watersheds

Conference registration for Wednesday, June 17, 2026, is waived for poster session participants. Participants do not need to register for the conference if only attending Wednesday, June 17, 2026.

Participants wishing to attend additional conference days or activities, including the Wednesday evening banquet or Women in Water Social, must register separately and pay the applicable conference registration fees.

For conference registration information, visit: IAWEA Annual Conference Registration.
